

Everyone loves Christmas cookies! Instead of slaving in the kitchen for days to generate a decent assortment, just invite your friends over and let us host your cookie exchange.

Cookie Exchange

Add an ornament exchange or a wine swap and it will become a favorite annual event.

Each guest should bring four dozen homemade cookies. The goal is for each participant to bring home six cookies from each assortment. We have eight bakers so we make 48 cookies each. The more people you invite, the more cookies you have to bake.

You can pre-package six cookies in festive bags if you prefer. It's a good idea to make copies of

the recipes to distribute.

You can create a digital cookbook to share with your guests.

To make the event more festive, we can help you display our favorite holiday decor.

A Christmas Village or Nativity scene make a nice centerpiece.

After your guests indulge in appetizers, we can serve tea or coffee. Fill your cookie tie with a nice assortment and bring plenty of goodies home to share with your family.
